ASSIGNMENT

I, Paul J. LaCarrubba, as inventor of the above captioned invention, in
consideration of the rights of the Government of the United States of America
acquired by virtue of the circumstances under which the above-captioned
invention was made, hereby:

1. Assign to the Government of the United States of America, as
represented by the Secretary of the Army, the entire right,
title and interest throughout the United States, its
Territories, Possessions and Puerto Rico, in and to the
above-captioned invention, and any Provisional Applications,
Patent Cooperation Treaty (PCT) applications, applications for
patent, and all Letters Patent issuing thereon, and any
continuation, continuation-in-part or division of said
applications and any reissue or extension of said Letters
Patent.

- 2. Agree to assign to the Government upon its request, all right, title and interest in the invention in those foreign countries in which the Government, within eight months of the filing of the United States application for patent, determines to cause an application to be filed; provided that if the Government determines not to cause an application to be filed in any particular foreign country or fails to make such a determination, within the said eight months, all right, title and interest in the invention in such foreign country shall remain in me subject to a nonexclusive, irrevocable, royalty-free license to the Government in any patent which may issue on the invention in such foreign country, including the power to issue sublicenses for use in behalf of the Government and/or furtherance of the foreign policies of the Government.**
- 3. Agree to provide any further information within my knowledge and to execute any further documents necessary to the prosecution of patent applications on the invention, the prosecution and settlement of interference and recording of title to patent applications and patents issuing thereon.**
