In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we
 the undersigned, Chris Savarese, Kelly Kodama, and Fadhly Bey
 hereby sell, assign, and transfer to Radar Golf, Inc.
 a corporation of California, having a principal place of business at
2819 Crow Canyon Road, Suite 103, San Ramon, California, 94583, ("Assignee"),
 and its successors, assigns, and legal representatives, the entire right, title, and interest for the
 United States and all foreign countries, in and to any and all improvements that are disclosed in
 the application for the United States patent that has been executed by the undersigned prior
 hereto or concurrently herewith on the dates indicated below and is entitled
GOLF BALL LOCATOR

and in and to said application and all divisional applications, continuation applications, continued
 prosecution applications, continuation-in-part applications, substitute applications, renewal
 applications, reissue applications, reexaminations, extensions, and all other patent applications
 that have been or shall be filed in the United States and all foreign countries on any of said
 improvements; and in and to all original patents, reissued patents, reexamination certificates, and
 extensions, that have been or shall be issued in the United States and all foreign countries on
 said improvements; and in and to all rights of priority resulting from the filing of said United States
 application;

agree that said Assignee may apply for and receive a patent or patents for said
 improvements in its own name; and that, when requested, without charge to, but at the expense
 of, said Assignee, its successors, assigns, and legal representatives, to carry out in good faith
 the intent and purpose of this Assignment, the undersigned will execute all divisional
 applications, continuation applications, continued prosecution applications, continuation-in-part
 applications, substitute applications, renewal applications, reissue applications, reexaminations,
 extensions and all other patent applications on any and all said improvements; execute all rightful
 oaths, assignments, powers of attorney, and other papers; communicate to said Assignee, its
 successors, assigns, and representatives all facts known to the undersigned relating to said
 improvements and the history thereof; and generally assist said Assignee, its successors,
 assigns, or representatives in securing and maintaining proper patent protection for said
 improvements and for vesting title to said improvements, and all applications for patents and all
 patents on said improvements, in said Assignee, its successors, assigns, and legal
 representatives; and

covenant with said Assignee, its successors, assigns, and legal representatives that no
