AND, WHEREAS, Red River Resources, Inc., a corporation of the State of Arizona, having a principal place of business at 2850 E. Camelback Road, STE 300, Phoenix, AZ 85016, (hereinafter the Assignee), is desirous of acquiring the entire right, title and interest in and to said applications and the inventions therein disclosed and any letters patents that may issue thereon;

AND, WHEREAS, the parties entered into an Asset Purchase Agreement and Patent Assignment dated February 24, 2003, under which Assignor assigned all rights to the aforementioned applications, and Assignor, out of an abundance of caution and clarity, is hereby desirous of further evidencing that assignment in this document to facilitate recordal of the transfer and assignment of the aforementioned applications and it was and remains the intent of the parties that Assignor has assigned all rights, title and interest, including but not limited to, all substantive rights, to the above referenced applications to the Assignee;

WHEREAS, TELESUITE CORPORATION desires to cooperate with Assignee, Red River Resources, Inc. in the recordal of any documents necessary to bring record title and ownership of said applications for patent and issued patents into the name of Assignee Red River Resources, Inc., Assignor TELESUITE CORPORATION hereby authorizes Kevin W. Clark to prepare any documents and appoint any U.S. or foreign counsel he deems fit to assist in the completion of such records and in connection with representing Red River Resources, Inc. in its future endeavors;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other valuable considerations, receipt of which is hereby acknowledged, the Assignor hereby sells, assigns and transfers to the Assignee, its successors and assigns, the entire right, title and interest in and to the aforementioned United States applications for letters patents and the inventions therein contained, including any divisions, continuations, extensions, or reissues thereof, together with all rights of recovery for past, present and future infringements thereof; and said Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any reissues or extensions thereof to said Assignee, its successors and assigns, the same to be held and enjoyed by said Assignee, its successors and assigns, to the full end of the term for which said Letters Patents are granted and as fully and entirely as the same would have been enjoyed by the said Assignor had this sale, assignment and transfer not been made; and we hereby authorize said Assignee, its successors and assigns, to file in its own name applications for patent in foreign countries in connection with the inventions hereby transferred, under the International Convention claiming the priority of said United States applications or otherwise, and to secure in its own name the patent or patents issued thereon; and we hereby agree that, upon request, we will sign all papers, and make all rightful oaths, and do all acts which said Assignee, its successors or assigns,

may consider necessary in connection with the said United States applications, and in connection with any other United States or foreign applications that may be filed in connection with said inventions, and with any improvements thereon, and in connection with any patents issued or reissued thereon.

IN TESTIMONY WHEREOF, the Assignor has caused this Assignment to be effective as of the date TeleSuite obtained assignment of the above-identified applications for United States Letters Patents and the inventions therein contained and the above-identified foreign patent applications and the inventions therein contained.
