ASSIGNMENT

WHEREAS, Shigeo UETAKE, Junya HIRAYAMA, Masahiko MATSUURA,
Takeshi MAEYAMA and Yuji NAGATOMO, hereinafter called the
"Assignors", have made the invention described in the United States patent application
entitled "DEVICE AND METHOD FOR MEASURING TONER CURRENT",
executed by Assignors on the same date as this Assignment;

WHEREAS, KONICA MINOLTA HOLDINGS, INC., a corporation
organized and existing under the laws of Japan, having a place of business
1-6-1 Marunouchi, Chiyoda-ku, Tokyo 100-0005 Japan, Japan, hereinafter called
the "Assignee", desires to acquire the entire right, title and interest in and to the invention
and the patent application identified above, and all patents which may be obtained for said
invention, as set forth below;

NOW, THEREFORE, in exchange for valuable and legally sufficient
consideration, the receipt of which by the Assignors from the Assignee is hereby
acknowledged, the Assignors have sold, assigned and transferred, and by these presents do
sell, assign and transfer to the Assignee, the entire right, title and interest for the United
States, its territories and possessions, in and to the invention and the patent application
identified above, and any patents that may issue for said invention in the United States;
together with the entire right, title and interest in and to said invention and all patent
applications and patents therefor in all countries foreign to the United States, including the
full right to claim for any such application all benefits and priority rights under any
applicable convention; together with the entire right, title and interest in and to all
continuations, continuations-in-part, divisions, renewals, extensions or reissues of any of the
patent applications and patents defined above; to have and to hold for the sole and exclusive

use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

The Assignors hereby covenant and agree, for both the Assignors and the Assignors' legal representatives, that the Assignors will assist the Assignee in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above; in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent; and that the Assignors will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignors have executed this agreement.
