**ASSIGNMENT**

For good and valuable consideration, receipt of which is hereby acknowledged, WholePoint Corporation, of 1625 Chestnut Street #10, San Francisco, California 94123, having acquired by a prior assignment effective as of February 24, 2003, the entire right, title and interest in an invention entitled:

**SECURITY APPARATUS AND METHOD FOR LOCAL AREA NETWORKS**

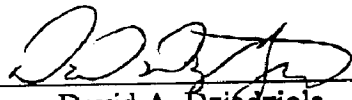

for which Steven R. Ocepek et al. filed a United States patent application on October 22, 2002, and which application now has Serial No. 10/277,765, and having acquired the entire right, title and interest in all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; and having acquired the right to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from Steven R. Ocepek et al.;

Now, in view of the above premises and effective upon execution of this document WholePoint Corporation hereby sells, assigns and transfers to Mirage Networks, Inc., a Delaware corporation, having a place of business at 6801 Capital of Texas Highway, Building 2, Suite 200, Austin, TX 78731, its successors and assigns, the entire right, title and interest throughout the world in said invention entitled:

**SECURITY APPARATUS AND METHOD FOR LOCAL AREA NETWORKS**

for which Steven R. Ocepek et al. filed a United States patent application on October 22, 2002, and which application now has Serial No. 10/277,765, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; authorizes the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from WholePoint Corporation; and agrees to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and WholePoint Corporation requests that the United States Patent and Trademark Office issue all patents granted for said invention to Mirage Networks, Inc., its successors and assigns.

Executed this 24 day of October, 2005.
