WHEREAS, Warner Bros. Entertainment Inc., a corporation organized and existing under the laws of the State of Delaware, having a place of business at 4000 Warner Blvd., Bldg. 156, Room 5158, Burbank, CA 91522 (hereafter called the "Assignee") is desirous of acquiring the entire interest in the Subject Matter;

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable considerations to Assignor paid by said Assignee, the receipt and sufficiency whereof is hereby acknowledged, Assignor does hereby sell, assign, and transfer unto said Assignee, its successors and assigns, the entire right, title and interest of Assignor throughout the world in and to the Subject Matter, including all priority rights for other countries arising from any of said Applications; and in and to all substitutions, provisionals, divisions, and continuations thereof; and in and to all Letters Patent, United States and foreign, that may be granted for said inventions or improvements; and in and to all extensions, renewals, and reissues thereof; and in and to the right to sue in its own name and to recover for past infringement of any and all of said Letters Patent and extensions, renewals, and reissues thereof.

Attorney Docket: 16406-001001

And Assignor does hereby authorize and request the Commissioner of Patents of the United States and the duly constituted authorities of foreign countries to issue any Letters Patent which may be granted on said inventions or improvements, on any applications related thereto, and on any substitute, continuing, divisional, or reissue Applications, or any of them, to said Assignee, its successors and assigns, as assignee of the entire right, title and interest therein and thereto.

And for the consideration aforesaid, Assignor agrees to do the following, when requested, and without further consideration, in order to carry out the intent of this Assignment: (1) execute all oaths, assignments, powers of attorney, applications, and other papers necessary or desirable to fully secure to Assignee the rights, title and interests herein conveyed; (2) communicate to Assignee all known facts relating to the Subject Matter of the above-identified patent applications and Letters Patents; and (3) generally do all lawful acts that Assignee shall consider desirable for securing, maintaining, and enforcing worldwide patent protection relating to the Subject Matter of the above-identified patent applications and Letters Patents and for vesting in Assignee the rights, titles, and interests herein conveyed. Assignor further agrees to provide any successor, transferee, assignee, or legal representative of Assignee with the benefits and assistance provided to Assignee hereunder.

Assignor represents that Assignor has the rights, titles, and interests to convey as set forth herein, and covenants with Assignee that the Assignor has made or will make hereafter no assignment, grant, mortgage, license, or other agreement affecting the rights, titles, and interests herein conveyed.
