K C CHIAM of 343B Pasir Panjang Road, Singapore 118679 Singapore ("Assignor"),

AND

MEGATECH SCIENTIFIC PTE LTD., a company incorporated in Singapore of Blk 2, Bukit Batok Street 24, #09-03, Skytech, Singapore 659480 Singapore ("Assignee")

RECITALS:-

(A) The Assignor is the applicant for and entitled to the benefit of the patent application, particulars of which are set out in Schedule 1 hereto (the "Patent").

(B) In consideration of the payment to Assignor of Singapore Dollars Ten (10), receipt whereof is hereby acknowledged, Assignor agrees that the Patent and all rights associated with the Patent shall be transferred to the Assignee with effect from the date hereof.

IT IS AGREED AS FOLLOWS:

1. The Assignor hereby assigns and transfers to the Assignee:

1.1 all of its right, title and interest in and to the Patent and all the rights, powers, liberties and immunities conferred on the applicant for or the proprietor thereof, free from all liens, charges and encumbrances to the intent that the grant of the Patent shall be in the name of and shall vest in the Assignee and including the right when the Patent is granted to sue for and recover any damages, and other remedies in respect of any acts carried out by third parties within the claims of any published specification of the Patent which may have occurred prior to the date hereof; and

1.2 the right to apply for, prosecute and obtain divisional patent or similar rights or protection in respect of any of the inventions forming the subject matter of the Patent in Singapore, including the right to claim priority from the Patent and in furtherance thereof, subject to the payment by the Assignee of all the Assignor's reasonable costs, fees and expenses in connection therewith, the Assignor shall sign, confirm and authenticate or procure the signature, confirmation and authentication of all forms of declaration and papers properly required by the United States Patent Office in support of such application, including any divisional applications and will promptly deliver the same to the Assignee to hold unto the Assignee absolutely.

2. The Assignor hereby warrants that:

2.1 at the date hereof all fees due in respect of the Patent have been duly paid;

2.2 the Assignor is not aware of any acts committed by third parties which would amount to infringement of the Patent when granted;

- 2.3 the Assignor has not granted any licences or any other permissions to use any of the inventions subject of the Patent to any third party.
- 2.4 the exercise by the Assignee of the rights assigned to it pursuant to this Assignment will not infringe the rights of any third party.
- 2.5 at the date hereof no actions have been commenced or remain outstanding claiming the invalidity of the Patent or any part of them.
3. The Assignee shall take all reasonable steps to register its interest in the Patent with the United States Patent Office and shall be responsible for the payment of all fees associated with the maintenance of the Patent following the execution of this Assignment.
4. This Assignment may be validly executed in a number of counterparts which when read together contain all signatures of the parties.
5. This Assignment is governed by and shall be construed in accordance with Singapore Law.

EXECUTED on the date which first appears in this Agreement.
