ASSIGNMENT

FOR VALUE RECEIVED, WE, Thor R. Halseth, of 3737 Medea Creek Road, Agoura Hills, California 91301, and John M. Barker, of 155 Sunset View Court, Ventura, California 93063 do hereby sell, assign and transfer, for a consideration, receipt and sufficiency of which is hereby acknowledged, all of our right, title and interest relating to U.S. Patent Application Serial No. 10/787,605, filed February 26, 2004, entitled HUBER NEEDLE SAFETY ENCLOSURE unto Now Medical Distribution, Inc., a corporation organized and existing under the laws of the State of Delaware, and having its principal place of business at 333 Lea Drive, West Chester, Pennsylvania 19382, as assignee, and its successors, assigns and legal representatives, finally executed by us on the 6th day of January 2003, and all the rights and privileges under any and all Letters Patents that may be granted therefore.

We request that any and all patents for said inventions be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

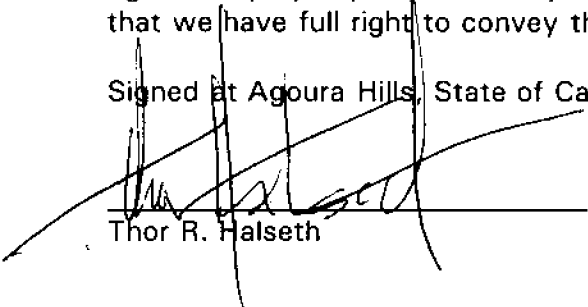

We agree that, when requested, we will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

We authorize and empower the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

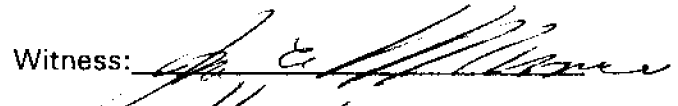

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

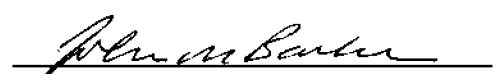

We covenant with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed Assignment are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.

Signed at Agoura Hills, State of California, this 25th day of January 2006.
