Joint US Inventors**ASSIGNMENT**

WHEREAS we, James L. Miller, Kent A. Smith, and Terrence M. Drew (the "Inventors"), residing respectively at 9696 East 112th Place, Henderson, CO 80640, 13702 Plaster Circle, Broomfield, CO 80020, and 1682 Riverbend Lane, Superior, CO 80027 are the joint inventors of an invention in *Headrail With Fabric Cover For Coverings For Architectural Openings* for which invention we have executed a United States design patent application bearing serial number 29/225,526 filed on March 15, 2005 herewith, and we are entitled to assign our entire right, title and interest world-wide in and to the invention and any intellectual property protection for the invention, including the US patent application and any Canadian patent application therefor, and

WHEREAS Hunter Douglas Inc. (the "Company"), having a place of business at 2 Park Way, Upper Saddle River, New Jersey 07458 USA, is desirous of obtaining our entire right, title and interest world-wide in and to the invention and any intellectual property protection for the invention, including the US patent application and any Canadian patent application therefor;

NOW THEREFORE, in consideration of the sum of one Dollar (USD 1.00) and other good and valuable consideration, the receipt of which is acknowledged, we hereby sell, assign and transfer to the Company, its successors, legal representatives and assigns, our entire right, title and interest world-wide in and to the invention and all applications for industrial property protection, including, without limitation, all applications for patents, utility models and designs, whether original, divisional, continuation, renewal, reissue, or the like, now on file or subsequently filed, for the invention world-wide, together with the right to file such applications and the right to claim for such applications the priority rights derived from the US patent application under any national or international intellectual property laws or agreements and any industrial property protection including, without limitation, patents, utility models and designs, now or hereafter granted, for the invention world-wide, and any extensions, renewals, reissues or the like thereof.

FURTHER we hereby authorize and request any official of any state, responsible for issuing patents or other evidence or forms of any industrial property protection, to issue the same for the invention to the Company, its successors, legal representatives and assigns, in accordance with this assignment.

TODAY BEFORE ME, a Notary Public in and for the place stated below, personally appeared **James L. Miller, Kent A. Smith and Terrence M. Drew**, to me known and known to me to be the Inventor named above, who signed this assignment and acknowledged it to be his free act and deed.
