ASSIGNMENT

Whereas we, Glen C. Rains and Samuel L. Utley, with residences and citizenships as indicated below, have made an invention in

Handheld Instrument for Monitoring and/or Identification of Chemicals

Filed July 20, 2005 Serial No.: 11/185,109

and executed an application for Letters Patent of the United States of America based thereon;

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, I individually agree to assign and transfer and do hereby assign and transfer unto the University of Georgia Research Foundation, Inc. ("Company"), a nonprofit corporation of Georgia, having its principal office at Boyd Graduate Studies Research Center, Athens, Georgia 30602-7411, its successors and assigns, the entire right, title and interest in and to said invention and application, and in any and to any division or continuation (in whole or in part) of said application, and in and to any and all improvements in said invention made by me or made jointly with others (provided any such improvement is made during the employment by the Company), and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon said invention or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made;

I do further agree for myself and for my heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as I lawfully may, that may be deemed necessary by the Company, its successors, assigns, and nominees, fully to secure its right, title, and interest as aforesaid and to obtain or maintain Letters Patent, Utility Models, or Inventors' Certificates in any and all countries; and

And I do hereby authorize and request the Commission of Patents to issue any and all Letters Patent which may be granted upon any of said applications, to the University of Georgia Research Foundation, Inc. as the assignee of my entire right, title, and interest therein.

S.N. 11/185,109

In witness whereof, I have hereunto signed my name on the day and year set forth below.
