**ASSIGNMENT
OF APPLICATION FOR UNITED STATES LETTERS PATENT**

WHEREAS, Michael Kostadinovich, residing at 401 E. 89th Street, #5L, New York, New York 10128 hereinafter referred to as the assignor, has invented a certain improvement relating to:

EXTENDIBLE AND OPEN CAMERA CONNECTOR SYSTEM

for which said assignor has caused an application for United States Letters Patent to be prepared,

- the inventor's declaration for said application being executed concurrently with the execution of this instrument; said application to be filed in the United States Patent and Trademark Office;
- said application having been filed in the United States Patent and Trademark Office on _____ as Application No. _____;
- said application having been filed under the Patent Cooperation Treaty on _____, International Application No. _____, the United States of America being designated.

AND WHEREAS:

Anthony V. Pugliese, III, residing at 101 NE 2nd Avenue, Delray Beach, Florida 33444, hereinafter referred to as the assignee, is desirous of acquiring the entire right, title and interest in and to said application, including any and all divisions and continuations thereof, and in and to said invention and any and all patents which may be granted therefor, in the United States and its territorial possessions and in any and all foreign countries, including any and all renewals, reissues and prolongations thereof;

NOW THIS WITNESSETH, that for and in consideration of \$1.00 and other good and valuable consideration paid by said assignee to said assignor, the receipt of which is hereby acknowledged, said assignor hereby assigns, sells and transfers to said assignee, and said assignee's successors and assigns, the entire and exclusive right, title and interest in and to said application, in the United States and its territorial possessions and in any and all foreign countries, including any and all divisions and continuations thereof, and to said invention and any and all patents which may be granted therefor, including any and all renewals, reissues and prolongations thereof; said assignee, and said assignee's successors and assigns, to have, hold, exercise and enjoy the said application including any and all nonprovisionals, divisions and continuations thereof, and the said invention and any and all patents which may be granted therefor, in the United States and its territorial possessions and in any and all foreign countries, including any and all renewals, reissues and prolongations thereof, with all the rights, powers, privileges and advantages arising from or appertaining thereto, for and during the term or terms of any and all such patents when granted, including any and all renewals, reissues and prolongations thereof, for the use and benefit of said assignee, and said assignee's successors and assigns, in as ample and beneficial a manner as the said assignor might or could have held and enjoyed the same, if this assignment had not been made,

AND said assignor hereby agrees to perform, upon the request of said assignee, or said assignee's successors or assigns, any and all acts relating to the obtaining or to the asserting of said patents in the United States and its territorial possessions and in any and all foreign countries, including any and all renewals, reissues and prolongations thereof,

AND said assignor authorizes and requests the Patent Office officials in the United States and its territorial possessions and in any and all foreign countries to issue Letters Patent on said application, and on any and all divisions and continuations thereof, to said assignee, and said assignee's successors and assigns, in accordance herewith.

AND I authorize, appoint and request my attorney of record to insert on this Assignment any further identification or to complete such identification which may be either necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

EXECUTED this 27th day of October, 2005.
