for which application has been made for Letters Patent of the United States, which application was filed on November 20, 2001 under Serial Number 10/019,991 and

**Whereas**, Pelikon Limited, a British Corporation, having a place of business at Unit R, Trecenydd Business Park, Caerphilly, CF83 2RZ, United Kingdom ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said improvements and any Letters Patent which may be granted thereon;

**Now, therefore, to all whom it may concern**, be it known that for and in consideration of the sum of One (1) Dollar to us in hand paid and other good and valuable consideration, receipt of which is hereby acknowledged, Assignor sells, assigns and transfers to the Assignee, his successors and assigns, the entire right, title and interest in and to said improvements and in and to any Letters Patent which may be obtained thereon in the United States and in all countries foreign thereto, together with said application and all divisional, continuing, substitute, renewal, reissue, and other applications for Letters Patent which have been or may be filed on said improvements in the United States or any other country; the same to be held and enjoyed by the Assignee for his sold use and behoof; and Assignor further assigns to the Assignee the right to file applications for patent in all countries on said improvements and all rights of priority resulting from any application for Letters Patent filed on said improvements.

Assignor hereby authorizes and requests that the Commissioner of Patents and Trademarks issue all Letters Patent of the United States on said improvements to the Assignee.

Assignor further covenants and agrees that when requested by the Assignee, and without further consideration, but at the cost and expense of the Assignee, Assignor will, for any and all countries, execute and deliver all

applications for patent on such improvements, execute all lawful oaths and other papers, supply to the Assignee all facts and evidence known to us relating to said improvements and the history and development thereof, testify in all interferences, suits, and other legal proceedings, and generally do everything rightful which the Assignee shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said improvements and for vesting the title to said improvements in the Assignee.

In witness whereof, the undersigned officer of the Assignor, authorized to execute this assignment on behalf of the Assignor, has hereunto set his/her hand this 24 day of June 2005.
