ASSIGNMENT

WHEREAS, I, Brian C. McLaughlin of 12723 N. Budd Road, Burt, Michigan 48417, have invented a **SUSPENSION PAD FOR A CORRUGATED ENCLOSURE**, for which I have made application for Letters Patent of the United States of America; and

WHEREAS, Security Packaging, Inc., a corporation organized and existing under the laws of the State of Michigan, and having its principal place of business at 3301 S. Dort Highway, Flint, Michigan 48507 desires to acquire the entire right, title and interest in and to said invention;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations, receipt whereof is acknowledged, I, Brian C. McLaughlin, by these presents do sell, assign and transfer unto said corporation, its successors and assigns, all right, title, and interest in the United States of America and all foreign countries in and to said invention as described in United States Patent Application Serial Number ___/___,___, filed _____, 2005 (Attorney Docket No. SEP-116-A), and to any improvements on said invention hereto or hereafter made while I am in the employ of said corporation, and any divisions or continuations of said application, and all Patents, United States and foreign, granted upon such applications or for the inventions described therein, and any reexaminations, reissues or extensions of said Patents; and I hereby authorize and request the Commissioner of Patents and Trademarks to issue all Patents on said United States applications to said corporation as assignee thereof.

FOR SAID CONSIDERATIONS, I hereby covenant and agree that I am the owner of the full title herein assigned, and I have the right to assign the same, and I agree that I will communicate to said corporation or its representatives any facts known to me respecting said invention or inventions and testify in any legal proceedings relating thereto when called upon and will sign all instruments and documents and render such assistance which in the judgment of said corporation is necessary to vest in it and protect the legal title sought to be assigned.

I authorize and empower the assignee, its successors, assigns, and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection of the inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

I hereby consent that a copy of this Assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document which may be required in any country for any purpose and more particularly in proof of the right of the assignee or nominee

to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.
