ASSIGNMENT

WHEREAS,

Reinhold Barlian, D-97980 Bad Mergentheim, Germany and Karl-Heinz Lux, 97990 Weikersheim, Germany, have made an invention in

INDICATING LIGHT

and have executed an application for Letters Patent of the United States of America based thereon

< > theday of.....2003

< > on even date herewith

< > and subsequently (*) officially identified as Serial Number _____
filed on _____

AND WHEREAS, BARTEC Componenten und Systeme GmbH, Max-Eyth-Strasse 16, D-97980 Bad Mergentheim, Germany, is desirous of acquiring the entire right (including priority rights under any and all International Conventions), title and interest in and to the said invention in and throughout the United States of America, its Territories, and all countries foreign thereto, and in and to the said application for Letters Patent, and in and to any and all Letters Patent of the United States of America and countries foreign thereto, which have been or may be granted on said invention or any part thereof;

NOW THEREFORE, for one dollar and other good and valuable consideration, receipt of which is hereby acknowledged the said

Reinhold Barlian
Karl-Heinz Lux

has agreed to and does hereby sell, assign and transfer unto the said BARTEC Componenten und Systeme GmbH the entire right (including priority rights under any and all International Conventions), title and interest in and throughout the United States of America, its Territories and all countries foreign thereto in and to said invention, said application for Letters Patent, and any and all Letters Patent and extensions thereto, of the United States of America and countries foreign thereto which have been or may be granted on said invention or any part thereof, or on said application or any divisional, continuing, renewal, re-issue or other applications based on whole or in part thereon, or based upon said invention;

TO BE HELD AND ENJOYED by the said BARTEC Componenten und Systeme GmbH, its heirs, executors, administrators, successors, and assigns to the full ends of the terms for which said Letters Patent or any of them have been or be granted, as fully and entirely as the same would have been held and enjoyed by

us had no sale and assignment of said interest been made; and we do hereby authorize and request the Commissioner of Patents of the United States of America to issue any and all Letters Patent of the United States of America which may be granted upon the said applications above referred to, or any of them, or upon said invention or any part thereof, to BARTEC Componenten und Systeme GmbH aforesaid; and we hereby agree for ourselves and for our heirs, executors and administrators, to execute without further consideration any further lawful documents and any further assurances, and any reissue, renewal, or other application for Letters Patent that may be deemed necessary by the assignee herein named, fully to secure to the said assignee BARTEC Componenten und Systeme GmbH interest as aforesaid in and to said invention or any part thereof, and in and to several Letters Patent or any of them.

And we do hereby covenant for ourselves and our legal representatives and agree with BARTEC Componenten und Systeme GmbH, its successors and assigns that we have granted no license to make, use or sell the said invention, that prior to the execution of this deed their right, title and interest in the said invention had not been encumbered, that we then had good right and title to sell and assign the same and that we have not executed and will not execute any instrument in conflict herewith.

(*) And, we hereby appoint Horst M. Kasper to insert in this instrument after execution identifying information and in particular the serial number and the filing date of said application for United States Letters Patent when officially notified thereof.

In Witness whereof, we have hereunto set our hands and affixed our seals this 13. day of March ... A.D. 2003.
