ASSIGNMENT

In consideration of the sum of One Dollar (\$1.00) and other valuable consideration, the receipt of all of which each of us hereby acknowledges, I, **JASWINDER S. SEHMBI**, of **14103 Torbram Road, Caledon East, Ontario, Canada L0N 1E0**, a Canadian citizen, confirm that I have sold and assigned and do hereby sell and assign to **MILLOMAT STAMPINGS INC.**, whose address is **27B Edvac Drive, Brampton, Ontario, Canada L6S 5X8**, as assignee, all right, title and interest for the United States, Canada and all other countries in and to the invention entitled:

PREMIXED FUEL BURNER ASSEMBLY

for which a U.S. provisional patent application Serial No. 60/442,514 was filed under the above title on January 27, 2003, and for which a regular U.S. patent application No. 10/764,570 under the above title was filed under the above title on January 27, 2004, and all right, title and interest in and to said applications, and in and to any divisions, continuations and continuations-in-part thereof, and in and to any further applications that may be filed for said invention or any improvements thereof, and in and to any patents that may be granted from any of said applications or for said invention or improvements thereof, including any reissues and reexaminations thereof.

I agree that I will without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said invention and improvements thereof in any and all countries and to vest title thereto in said assignee, its successors, assigns and legal representatives or nominees.

I authorize and empower said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said invention or improvements filed by it or them, the benefit or the right of priority provided by the International Convention for the Protection of Industrial Property as amended or by any convention which may henceforth be substituted for it, and all rights provided by any other convention (including without limitation the Patent Cooperation Treaty) relating to the protection of inventions, and to invoke and claim such right of priority without further written or oral authorization from me.

EXECUTED at Brampton Ontario, Canada, this 13 day of Oct, 2004.
