## ASSIGNMENT

Atty. Docket No. 6643-500002

The undersigned, Arboc, Ltd., an entity organized under the laws of Michigan and having a place of business at 3504 Car Drive, Commerce, Michigan 48382 and James J. Bartel, an individual having an address at 3504 Car Drive, Commerce, Michigan 48382, hereinafter referred to collectively as Assignor, has an interest in the inventions described in the patents and patent applications referred to in the attached Schedule A and

John A. Watson, an individual having an address at 8253 South Saginaw, Grand Blanc, MI 48439, hereinafter referred to as Assignee, is desirous of acquiring Assignor's interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignor by these presents does sell, assign, and transfer unto Assignee and its successors in interest, the full and exclusive right, title, and interest in the United States of America and all foreign countries, including the right to claim the benefit of or priority under the laws of the United States, the Paris Convention, and any foreign countries, including, but not limited to, continuations, continuations-in-part, and divisionals of such patents and patent applications, and all foreign counterparts, and reissues, reexaminations, and extensions thereof, to the said inventions as described in the patents and patent applications on the aforesaid Schedule A, said applications for patent and all Letters Patent therefor to be held and enjoyed by Assignee to the full end of the term for which said Letters Patent are granted and any extensions thereof as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made, and the right to recover for past infringements of, or liabilities for, any of the rights relating to any of said applications or patents resulting therefrom;

Assignor hereby covenants and agrees to execute all instruments or documents required or requested for the making and prosecution of any applications of any type for patent in the United States and in all foreign countries including, but not limited to, any provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, and as to letters patent any reissue, re-examination, or extension thereof, and for litigation regarding, or for the purpose of protecting title to the said invention, the United States application for patent, or Letters Patent therefor, and to testify in support thereof, for the benefit of Assignee without further or other compensation than that above set forth;

Assignor hereby covenants that no assignment, sale or agreement or encumbrance has been or will be entered into which would conflict with this Assignment; and

Assignor hereby requests the Commissioner of Patents and Trademarks to issue said Letters Patent of the United States of America to Assignee, and requests that any official of any country or countries foreign to the United States, whose duty it is to issue or grant patents and applications as aforesaid, to issue said Letters Patent, Utility Model Registration or Inventor's Certificate to Assignee.

IN WITNESS WHEREOF, the parties have caused this ASSIGNMENT to be duly executed and delivered as of June 1, 2004.
