## **ASSIGNMENT OF INVENTION AND PATENTS THEREON**

For valuable consideration, I, **Michael D. Jones**, hereby assign to **TRU 2 FORM VENTURES, INC.**, a corporation of **Missouri** and having a place of business at **601 E. Daugherty Road, Neosho, Missouri 64850**, and its successors and assigns (collectively hereinafter called "the Assignee"), my entire right, title and interest throughout the world in the inventions and improvements which are subject of an application for United States Patent, filed herewith, entitled

### **APPARATUS AND METHOD FOR WINDING WIRE**

this assignment including said application, any continuation, division or continuation-in-part thereof and/or substitute therefore, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, and design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and agree for myself and my heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
