ATTN: Frank Forsberg

Dear Frank:

November 7, 1997

FRANK & FRAUD
DECEIVED
BY TRUST
TERRY L. BLEU

Due to the mismanagement of paperwork and mishandling of my affairs regarding the patent and the patent assignment on the water making machines; this letter is to inform you that I am hereby terminating our agreement. I repudiate any alleged contracts for sale of my stock and/or assignment of my rights in the patent because the inducement for any agreements were based on your representation that you would perform to certain standards. You misrepresented yourself and your intentions to perform such promises as agreed and have failed to perform to the standards you set. Due to your breach I am hereby terminating any and all assignment of my patent rights to WWW, Inc., Frank, Pete, and any agents or assignees.

With respect to my interests in WWW, Inc., I hereby refuse further payment from you and Pete Feldman. I have learned that the assignment to World Wide Water, Inc. will be void upon the U.S. Patent office updating their files to include the other so called inventor. I believe this to be an example of your mismanagement.

This letter shall serve as my formal notification to you as well as a request for copies of ALL paperwork in your possession signed by me. I await a prompt response to this simple request.

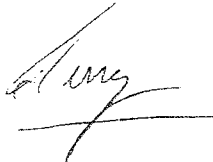

Sincerely,

Terry Lyle Le Bleu
Director of Research
