## ASSIGNMENT

WHEREAS, I, Daniel Blaszowski, whose residence address is 93 Woodgate Drive, Cheektowage, New York 14227 (the "Assignor") having co-invented a certain new and useful invention for a "Disposable Desiccant Cartridge Air/Gas Dryer and Method Therefore" for which I am about to make application for Letters Patent of the United States, said application being first filed as a provisional application, and herewith executed concurrently on the respective dates listed hereinbelow;

WHEREAS, Camair Inc., a New York corporation, whose post office address is 4087 Walden Avenue, Lancaster, NY 14086 ("the Assignee"), is desirous of acquiring the entire right, title and interest in and to the aforesaid invention and application for Letters Patent in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) to me in hand paid by the Assignee, and other good and valuable consideration, receipt whereof is hereby expressly acknowledged, I the aforesaid, Daniel Blaszowski, hereby sell, transfer and set over to the said Assignee, my successors, legal representatives and assigns, the entire right, title and interest in and to the aforesaid invention and the aforesaid application, for the territory of the United States of America and for all foreign countries, and to all Letters Patents, divisions, continuations, continuations-in-part, substitutions, reissues, re-examinations and extensions to be obtained therefore; and I further agree to cooperate with the said Assignee hereunder in the obtaining and the sustaining of any or all such Letters Patent but at the expense of the said Assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with this Assignment, to the said Assignee, his successors, legal representatives and assigns, as the Assignee of the entire right, title and interest therein.

Further, I agree that I will communicate to said Assignee, or its representatives and facts known to me respecting said invention, and testify in any legal proceedings, sign all lawful papers, execute all division, continuation, continuation-in-part, substitution, reissue, re-examinations and extension applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths and generally do everything necessary or desirable to aid said Assignee, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

This Assignment is executed by Daniel Blaszowski as of the respective date set forth below to be effective as of the respective date set forth below.
