SCHEDULE 1 TO FINANCING STATEMENT

This Financing Statement covers all of the Debtor's right, title and interest in, to and under the following property, in each case whether now or hereafter existing or arising or in which the Debtor now has or hereafter owns, acquires or develops an interest and wherever located, constituting Specified IP Assets (collectively, the "Collateral"):

(i) all patents and patent applications, domestic or foreign, all licenses relating to or under any of the foregoing and all income and royalties with respect to any licenses (including, without limitation, such patents and patent applications as described in the Schedules to the License Agreement), all rights to sue for past, present or future infringement thereof, all rights arising therefrom and pertaining thereto and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof;

(ii) all state (including common law), federal and foreign trademarks, service marks and trade names, and applications for registration of such trademarks, service marks, domain names and trade names, all licenses relating to or under any of the foregoing and all income and royalties with respect to any licenses (including, without limitation, such marks, names and applications as described in the Schedules to the License Agreement), whether registered or unregistered and wherever registered, all rights to sue for past, present or future infringement or unconsented use thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof;

(iii) all of Debtor's present and future United States, whether statutory or common law, registered or unregistered, now or hereafter in force throughout the world, including Debtor's United States registered copyrights and copyright registrations listed in the Schedules to the License Agreement, all of Debtor's present and future, United States applications for copyright registrations, including Debtor's United States applications for copyright registrations listed in the Schedules to the License Agreement, and all of Debtor's present and future copyrights which are unregistered or not yet registered in the Copyright Office (collectively, the "Copyrights"), and any and all royalties, payments, and other amounts payable to Debtor in connection with the Copyrights, together with all renewals and extensions of the Copyrights, the right to recover for all past, present, and future infringements of the Copyrights, and all computer programs, computer databases, computer program flow diagrams, source codes, object codes and all tangible property embodying or incorporating the Copyrights, and all other rights of every kind whatsoever accruing thereunder or pertaining thereto;

(iv) the entire goodwill of or associated with the businesses now or hereafter conducted by the Debtor connected with and symbolized by any of the aforementioned properties and assets;

(v) all commercial tort claims associated with or arising out of any of the aforementioned properties and assets;

(vi) all accounts, all intangible intellectual or other similar property and other general intangibles associated with or arising out of any of the aforementioned properties and assets and not otherwise described above, including all license payments and payments under insurance (whether or not the Secured Party is the loss payee thereof) or any indemnity, warranty or guaranty payable by reason of loss or damage to or otherwise with respect to the foregoing Collateral; and

(vii) all products, proceeds and supporting obligations of or with respect to any and all of the foregoing Collateral.

As used herein, "Specified IP Assets" means the C1-Specific Assets and the Shared Assets as defined in the Licensing and Strategic Partnering Agreement, dated as of February 2, 2006, as amended, modified, renewed or extended from time to time, by and among Debtor, Pharming Intellectual Property B.V. and Pharming Technologies B.V., and Secured Party, as investor.
