JOINT

Attorney Docket No. 04341342

ASSIGNMENT

WHEREAS, we, the undersigned inventors having our residences as set forth below, have invented a new invention for

PORTION OF A COMPUTER SCREEN WITH AN ICON IMAGE

as described and set forth in the application executed by us herewith, preparatory to obtaining Letters Patent of the United States therefore; and

WHEREAS, C-Decisions, Inc., a Delaware corporation with its principal place of business at 330 Townsend Street, San Francisco, California 94107, doing business as Coprindm Corporation, (hereinafter referred to as "Assignee"), desires to acquire the entire right, title and interest in and to said invention, improvements, application and any Letters Patents which may be granted therefore or thereupon in the United States and in any and all foreign countries;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors and assigns, the entire right, title and interest in and to said invention, improvements, and in and to said application and any Letters Patents which may be granted therefore or thereupon, together with any and all divisions, continuations, reissues and extensions thereof, and we authorize and request the Commissioner of Patents and Trademarks to issue any Letters Patent which may be granted for or upon said invention or applications, or patents resulting therefrom, insofar as our interest is concerned, unto Assignee in accordance with this Assignment. We further transfer and assign to Assignee all causes of action, rights and remedies arising under the Letters Patent prior to and after the date of this Assignment.

We also assign to Assignee, all right, title and interest in and to the invention disclosed in said application throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs throughout the world, including all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries; and we further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee.

We will communicate to Assignee, its successors and assigns or their representatives, any facts known to us respecting said invention and improvements; and, at the expense of Assignee, we will testify in any legal proceedings relating thereto, sign all lawful papers, execute all divisional, continuing, reissue and substitute applications, make all rightful oaths and declarations, and, in addition, execute any and all documents required to vest title in Assignee and to aid Assignee to obtain and enforce proper protection for said invention in all countries.

4

We covenant that we have the full right to convey the interest assigned by this Assignment, and that we, individually or together, have not executed and will not execute any agreement in conflict with this Assignment.

This Assignment shall be binding on the parties' successors, assigns and legal representatives.
