ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **Western States Investment Corporation**, ("Assignor"), a California corporation, having a place of business at 6335 Ferris Square, Suite A, San Diego, California 92121, hereby sells, assigns, transfers and conveys to **Balboa Instruments, Inc.** ("Assignee"), having a place of business at 1382 Bell Avenue, Tustin, California 92780, its successors, assigns and legal representatives, all of Assignor's right, title and interest for the United States and all foreign countries, in and to:

- (1) any and all inventions and improvements disclosed in the patents and patent applications (U.S. and non-U.S.) listed in the attached Exhibit A;
- (2) all original and reissued Letters Patents that have been or shall be issued in the United States and in all foreign countries on any of said inventions and improvements; and in and to all divisional, continuing, reissue, extension, substitution and renewal applications, and all other patent applications that have been filed or shall be filed in the United States and in any foreign countries, on any of said inventions and improvements; and in and to all rights attaching to said inventions and improvements;
- (3) any and all causes of action for past, present, and future infringement of any of said Letters Patents or patent applications, or relating to any inventions or discoveries described therein, including the right to collect royalties and damages for all such infringements and the right to sue on all such causes of action for Assignee's own use and benefit and the use and benefit of Assignee's successors, assigns and legal representatives;
- (4) the right of Assignee to file in its name, applications for patents and other forms of protection for said inventions and improvements;
- (5) all international rights of priority associated with said inventions and improvements, patents and patent applications;

each and every of the foregoing rights, titles and interests herein assigned to be held and enjoyed by Assignee, its successors, assigns and legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

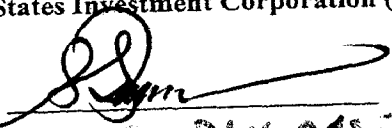

Assignor hereby covenants and warrants that Assignor is the sole and exclusive owner of the rights and assets described above in paragraphs 1-5, and has the right to make this assignment, and further that Assignor has not made nor entered into, and will not make or enter into any assignment, sale, agreement or encumbrance that could conflict with this assignment.

Assignor further covenants that it shall cooperate with Assignee in execution of any documents deemed necessary by Assignee to transfer title to any of the patent and patent applications in any jurisdiction.

IN TESTIMONY WHEREOF, Assignor has caused this Assignment to be duly executed in its name and behalf by affixing its hand and seal thereto by its designated officer, director, or agent, whose name and title appear below.
