**ASSIGNMENT**

THIS ASSIGNMENT, made on the date set forth below by Daniel J.

DuRocher (hereinafter referred to as the assignor), residing at 3800 Pine Creek,  
Metamora, Michigan 48455, witnesseth:

WHEREAS, said assignors have invented certain new and useful  
improvements in APPARATUS FOR OCCUPANT DETECTION set forth in an  
application for Letters Patent of the United States, enclosed herewith; and

WHEREAS, Methode Electronics, Inc., a corporation duly organized under  
and pursuant to the laws of the State of Delaware, having its principal place of  
business at 7401 West Wilson Avenue, Chicago, Illinois 60706 (hereinafter referred  
to as the assignee) is desirous of acquiring the entire right, title and interest in and to  
said inventions and said application for Letters Patent of the United States, and in and  
to any Letters Patent or Patents, United States or foreign, to be obtained therefor and  
thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good  
and sufficient consideration, the receipt of which is hereby acknowledged, the said  
assignors have sold, assigned, transferred and set over, and by these presents do sell,  
transfer and set over, unto the assignee, its successors, legal representatives and  
assigns, the entire right, title and interest in and to the above-mentioned inventions,  
application for Letters Patent, and any and all Letters Patent or Patents in the United  
States of America and all foreign countries which may be granted therefor and  
thereon, and in and to any and all divisions, continuations, and continuations-in-part  
of said application, or reissues or extensions of said Letters Patent or Patents, and all

rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by the said assignee, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignors, had this sale and assignment not been made.

AND for the same consideration, the said assignors hereby covenant and agree to and with the said assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and the application for Letters Patent above-mentioned, and that the same are unencumbered and that the said assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, the said assignors hereby covenant and agree to and with the said assignee, its successors, legal representatives and assigns, that the said assignors will, whenever counsel of the said assignee or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, that any division, continuation or continuation-in-part of any application for Letters Patent, or reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters
