ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, and subject to the terms and conditions stated in the Settlement and Assignment Agreement between the parties dated February 22, 2006, Omnic, Inc., a Delaware corporation with a principal place of business at 1900 Taylor Rd., Auburn Hills, Michigan 48326 ("Assignor"), hereby transfers and assigns to Magnequench International, Inc., a Delaware corporation with a principal place of business at 9775 Cross Point Boulevard, Suite 100, Indianapolis, Indiana 46256 ("Assignee"), the entire right, title and interest to U.S. Pat. No. 4,867,785, including (i) all rights to recover for infringement associated therewith whether arising prior to or subsequent to the date of this Assignment; (ii) all inventions claimed therein and all divisionals, continuations, continuations-in-part, substitutes, renewals, reissues, reexaminations or other applications which have been or may be filed in the United States or any foreign country on any of said inventions, (iii) all patents which may be granted therefore throughout the world, including the right to file applications and obtain patent grants, utility models, industrial models and designs for any of said inventions in its own name throughout the world, and (iv) all rights of priority, all rights to publish cautionary notices reserving ownership of said inventions, and all rights to register said inventions in appropriate registries (such patent and rights, collectively, the "Patent").

To the extent that this Assignment is not acceptable for purposes of recording in a necessary office to indicate transfer to Assignee of the Patent, then in addition to this Assignment, for a period of one hundred eighty (180) days after the date the assignment is made or such other time period reasonably necessitated or required by the local

jurisdiction in question to achieve the transfer, Assignor agrees to execute individual assignments of the Patent with respect to those individual countries where this Assignment is not acceptable for recording, which assignments shall be executed, and, where required, notarized and/or legalized apostille, on behalf of Assignor. The form of assignment or transfer shall be that used customarily in the jurisdiction in question to achieve the transfer on the terms set forth above. Assignor shall be responsible for the costs of filing or recording the assignments in a necessary office to indicate transfer to Assignee.

IN WITNESS THEREOF, Osmic has caused this Patent Assignment to be duly signed on its behalf.
