## ASSIGNMENT

WHEREAS, Dow Global Technologies Inc., ASSIGNOR, a corporation organized and existing under the laws of the State of Delaware, United States of America, and having a place of business at Washington Street, 1790 Building, Midland, Michigan 48674, is the owner of the entire right, title and interest in, and to United States Patent Application No. 10/840,112, and the inventions therein described, together with all reissues, continuations (in whole or in part), revisions and reexaminations thereof (collectively, the "Patent Rights");

WHEREAS, Sorbent Therapeutics, Inc., ASSIGNEE, a corporation organized and existing under the laws of the State of Delaware, United States of America, and having a place of business at 750 East Bunker Court, Suite 900, Vernon Hills, Illinois 60061, USA, is desirous of obtaining the entire right, title and interest in, to and under the Patent Rights.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the Patent Rights, including the right to sue for past infringement, and the patent and all divisions, renewals and continuations thereof, and all patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for the Patent Rights in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from the patent under the patent laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for the Patent Rights in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and

ASSIGNOR HEREBY authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument; and

ASSIGNOR HEREBY covenants and agrees that it has the full right to convey the entire interest herein assigned, and that ASSIGNOR has not executed, and will not execute, any agreement in conflict herewith; and

ASSIGNOR HEREBY further covenants and agrees that ASSIGNOR will execute and deliver at a future date any and all additional documents that the ASSIGNEE reasonably determines are required to perfect the ASSIGNEE's ownership interest of or title to the invention.

IN WITNESS AND IN TESTIMONY WHEREOF, I, as a duly authorized representative of ASSIGNOR, hereunto set my hand and seal this 16 day of December, 2005.
