PATENT ASSIGNMENT

WHEREAS, I the undersigned:

Robert W. Gammon, Jr., a citizen of the United States of America, residing at 3621 Stancliff Road, Clemmons, North Carolina, 27012;

(hereinafter referred to as "Assignor"), have invented certain inventions and improvements disclosed in a Letters Patent entitled **GOLF BALL**, which Patent issued on February 15, 2005 as Patent No. D501,900.

WHEREAS, **Down the Line Concepts, Inc.**, a corporation of the State of North Carolina, having its principal place of business at 2007 Yanceyville Street, Suite 32, Greensboro, North Carolina, is desirous of acquiring an interest in the same;

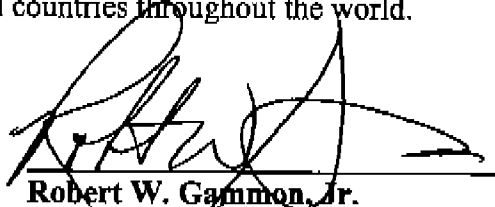

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor, by these presents do sell, assign and transfer unto **Down the Line Concepts, Inc.**, the full, exclusive and entire right, title and interest: (i) in and to all inventions and improvements disclosed and described in said patent, (ii) in and to said patent, (iii) in and to any right to claim priority rights arising from such patent; (iv) in and to any divisional, continuation, and continuation-in-part patent applications describing in whole or in part the said inventions and improvements, preparatory to obtaining Patents of the United States therefor, (v) in and to any reissues of the aforementioned, (vi) in and to any provisional patent applications filed in the United States describing in whole or in part the said inventions and improvements, from which priority may be claimed under Title 35 of the United States Code, and (vii) in and to the right to claim any applicable foreign and domestic priority rights arising from such provisional patent applications; and Assignor does hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from said applications, or from a division, continuation, continuation-in-part, or reissue thereof, to **Down the Line Concepts, Inc.** as Assignee, for its interest and for the sole use and behalf of **Down the Line Concepts, Inc.** and its assigns and legal representatives;

For the same consideration, Assignor by this present do sell, assign and transfer to **Down the Line Concepts, Inc.**, the full, exclusive and entire right, title and interest in and to any foreign application or applications corresponding to said patent and applications, in whole or in part, in countries other than the United States, in and to any Patents and similar protective rights

granted on said foreign application, and in and to the right to claim any applicable priority rights arising from or required for said foreign application under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **Down the Line Concepts, Inc.** and/or its respective designees, insofar as permitted by applicable law;

AND, for the same consideration, Assignor does hereby agree to sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Down the Line Concepts, Inc.**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
