ASSIGNMENT

WHEREAS, the undersigned, Dene Barrett, a citizen of the United States of America having an address of P.O. Box 605, Frazier Park, CA 93225, and Earle Wilkins, a citizen of the United States of America having an address of 17950 Lords Road, CA 92342, have invented a new and useful MANUAL CAPSULE LOADING MACHINE AND METHOD for which application papers for United States Letter Patent have been executed by them this day; and

WHEREAS, the undersigned verily believes himself to be an original, first and joint inventor of the invention set forth in this application for Letters Patent; and

WHEREAS, the undersigned Earl Wilkins represents and warrants that to his knowledge he and Dene Barrett are the sole owners of the entire right, title, and interest in and to said invention and all Letters Patent granted therefor, and that the same is free and clear of all encumbrances to actions taken or documents signed by the undersigned; and

WHEREAS, Dene Barrett, a citizen of the United States of America having an address of P.O. Box 605, Frazier Park, CA 93225, is desirous of acquiring the entire right, title and interest in and to said invention and all Letters Patent granted therefor in the United States and throughout the world;

NOW THEREFORE, in consideration of \$10.00 and other valuable consideration paid to the undersigned, receipt whereof is hereby acknowledged, the undersigned Earle Wilkins does hereby sell, assign, transfer and set over to the said Dene Barrett, his entire right, title, and interest in and to said invention and all improvements therein and all Letters Patent which may be granted therefore in the United States and throughout the world,

including the right to file foreign applications under the provisions of the International Convention directly in the name of the Assignee.

The undersigned Earle Wilkins hereby agrees that upon request and without further compensation, but at no expense to the undersigned, he will do all lawful acts, including the execution of papers and the giving of testimony that may be necessary or desirable for obtaining, sustaining, reissuing and renewing United States Letters Patent and foreign Letters Patent for said invention and all improvements therein, and for perfecting and maintaining the title in its successor to said invention and particularly in cases of interference and litigation.

The undersigned Earl Wilkins hereby authorizes and requests the Commissioner of Patents in the United States and all foreign countries to issue all Letters Patent based on said above mentioned patent application and all divisions, continuations, continuation-in-part and reissues thereof to the said Dene Barrett, his successors and assigns.

IN TESTIMONY WHEREOF, the undersigned has executed this instrument at Helendale, California, this 1 day of NOV, 2005.

Earle Wilkins
