ASSIGNMENT

WHEREAS, we, David K. Booth, of Tigard, County of Washington, State of Oregon; Douglas H. Marman, of Ridgefield, County of Clark, State of Washington; and Gary E. Friar, of Tigard, County of Washington, State of Oregon, have made inventions described in United States provisional patent application for **RAPIDLY RESPONDING, FALSE DETECTION IMMUNE ALARM SIGNAL PRODUCING SMOKE DETECTOR**; and

WHEREAS, General Electric Company, a New York corporation, having a place of business at 1 River Road, Schenectady, New York 12345, is desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, David K. Booth, Douglas H. Marman, and Gary E. Friar, hereby sell, assign, and transfer to General Electric Company the full and exclusive right, title, and interest in and to said inventions, said provisional patent application, and any and all patent rights and letters patent for said inventions in the United States and elsewhere throughout the world, including foreign patent priority rights and the right to apply for patents in foreign countries in our names or in the name of General Electric Company, and further including all utility, divisional, and continuation applications deriving priority from said provisional patent application and of any foreign patent applications and all reissues and extensions of patent rights and letters patent for said inventions, all to be held and enjoyed by General Electric Company, for its own use and benefit, and by its successors and assigns for their own use and benefit, for the full duration of the terms for which patent rights and letters patent may be granted in this or any foreign country, and covenant that we have full right so to do, and agree that we will communicate to General Electric Company, and its successors and assigns, any facts known to us respecting said inventions, and testify in any legal proceeding, sign all lawful papers, execute all lawful divisional, continuation, and reissue applications, make all rightful declarations or oaths, and do everything lawfully possible to aid General Electric Company, and its successors and assigns, to obtain and enforce proper patent protection for said inventions in this or any foreign country.
