Parties:

1 'The Assignor'

Hemant Sabharwal

14 Carla Lane

Irvington

N.Y. 10533

USA

2 'The Assignee'

HAMLET Pharma AB

Lilla Fiskaregatan 10

Recitals:

(A) The Assignor is the co-inventor of an invention for which patent applications have been filed and patents granted as listed in the attached Schedule (the Patents and Applications).

(B) The Assignor has, in accordance with a separate agreement between the parties dated July 11th and July 28th 2005 agreed to assign to the Assignee for the consideration hereinafter mentioned, all his rights title and interest in to and under the Invention and the Patents and Applications [including (without limitation) the United States of America] and the Assignee accepts the assignment.

Operative provisions:

In consideration for the payment of \$1.00 by the Assignee to the Assignor the receipt and sufficiency of which is hereby acknowledged by the Assignor:

1 The Assignor hereby sells and assigns to the Assignee absolutely and free from incumbrances:

1.1 all his rights title and interest in Canada and the United States and all other countries of the world to and under the Inventions and the Patents and Applications and all national and regional phases thereof and any and all divisionals, continuations and continuations-in-part of any of the aforesaid applications and any and all patents that may be granted pursuant thereto for the full period thereof including any re-issues, re-examinations, renewals, extensions and Supplementary Protection Certificates and including all rights and powers arising or accrued therefrom including the right to sue for damages and other remedies in respect of any infringement of any such rights before on or after the date hereof and to retain any damages obtained as a result of such action;

1.2 all such rights as he may have to apply for prosecute and obtain patents and other intellectual property protection anywhere in the world in respect of the Inventions to the intent that the grant of any patents or other intellectual property protection for the Inventions shall be in the name of and shall vest in the Assignee or its successors or assigns;

1.3 all such rights as he may have to claim priority from any of the patent applications in any and all applications for patent protection for the Inventions;

to the intent that the Assignee shall have and hold the rights title and interest hereby assigned as fully and entirely as the same would have been held and enjoyed by the Assignor had this assignment not been made.

2 The Assignor hereby UNDERTAKES that at the request and cost of Assignee or its successors or assigns he will at all times hereafter promptly do all such acts and execute all such documents (including but not limited to documents required to be signed by or on behalf of inventors in the course of any and all Canadian and United States patent applications which relate to the Inventions and any and all divisionals, continuations and continuations-in-part of any such applications) as may be reasonably necessary or desirable to secure the vesting in the Assignee or its successors or assigns of all rights title and interest assigned to the Assignee hereunder and to confirm the title of the Assignee or its successors or assigns to all such rights title and interest and to assist in the resolution of any question concerning the Inventions or any applications for patent or other intellectual property protection for the Inventions or any intellectual property protection granted pursuant to any such application.

3 The Assignor hereby requests the relevant authorities in all countries of the world to issue any patents granted for the Inventions in the name of the Assignee or its successors or assigns in accordance with this assignment.

4 This assignment and undertaking shall be binding upon the Assignor's heirs, executors, administrators, successors and/or assigns and shall enure to the benefit of any heirs, executors, administrators, successors and/or assigns of the Assignee.
