ASSIGNMENT

For good and valuable consideration, Infineon Technologies Flash GmbH & Co. KG, (hereinafter referred to as "Assignor") a corporation organized and existing under the laws of Germany, having its principal place of business at Königsbrückerstr. 180, 01099 Dresden, Germany;

hereby sells, assigns, and transfers to Infineon Technologies AG, (hereinafter referred to as "Assignee") a corporation organized and existing under the laws of Germany, having its principal place of business at St.-Martin-Strasse 53, Muenchen, 81669, Germany; its successors, assigns and legal representatives,

the entire right, title and interest in and for the United States and all foreign countries, in and to any and all improvements which are disclosed in Application Serial No. 11/135,002, entitled Semiconductor Memory Device and Method of Production, filed May 23, 2005, including the rights to file and obtain United States and corresponding foreign patents, inventor's certificates and utility models, and all divisions, reissues, substitutions and continuations thereof, and in and to said application and all divisional, continuing substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said improvements;

Agree that Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, their successors, assigns, and legal representatives to carry out in good faith the intent and purpose of this agreement, the undersigned will execute all divisional, continuing substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives; all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors,
