This letter is to certify that, to the best of our knowledge, any requested due diligence item that was not presented to IVP by PalmTop Productions, Inc., as relating to the sale of US Patent 5,929,848, was not attainable due to being lost or destroyed during the dissolution of Visible Interactive.

In fulfilling the due diligence requests, PalmTop searched for documents by contacting the former investors in Visible Interactive (Altos Ventures, The Markham Group), former officers during the dissolution (Tom Rickey, Jerry McLaughlin), Visible Corporate attorneys (Greg Beattie of Bay Venture Partners) patent prosecution firm (Robert Sachs of Fenwick and West) as well as examining our own records (Larry Albukerk as founder and president, Colm O'Malley as Director of Operations). PalmTop forwarded to IVP by fax and by FedEx any information and/or documents that resulted from these searches, and further supplemented the findings by ordering and forwarding certified copies for the USPTO of several of the requested documents.
