**ASSIGNMENT**

We, Kirk R. Johnson of 12045 Tilton Trail North, Rogers, Minnesota 55374, a citizen of the United States, Thomas McManus of 4255 Deerwood Lane, Plymouth, Minnesota 55441, a citizen of the United States and John W Pratten of 3200 Frear Drive, Minnetonka, Minnesota 55305, a citizen of the United States have made an invention relating to VISIBLE LIGHT AND IR COMBINED IMAGE CAMERA WITH A LASER POINTER and have executed an application for United States Letters Patent based thereon and identified by attorney's File No. 41079.6.9 and naming the following inventors: Kirk R. Johnson, Thomas McManus and John W. Pratten regarding Application No. 11/294,752 filed December 5, 2005.

In exchange for good and valuable consideration, the receipt of which we now acknowledge, we hereby assign to Infrared Solutions, Inc. a Minnesota domestic corporation of 3550 Annapolis Lane North, Suite 70, Plymouth, Minnesota 55447, its successors and assigns:

- (1) The entire right, title, and interest to the above-identified invention and application;
- (2) The entire right, title, and interest to any United States or foreign Letters Patents which may issue with respect to the above identified invention;
- (3) The entire right, title, and interest to any renewals, reissues, extensions, substitutions, continuations, continuations-in-part, or divisions that may be filed with respect to the above identified invention and application;
- (4) The entire right, title and interest to any parent cases previously filed with respect to the above identified invention and application; and
- (5) The right to apply for Letters Patents in foreign countries in its own name and to claim any priority rights to which such foreign applications are entitled under international conventions, treaties or otherwise.

We further agree for ourselves and for our heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments or other documents and to perform such other lawful acts as Infrared Solutions, Inc., its successors and assigns may deem necessary to fully secure, maintain and enforce its rights, title or interest as outlined herein.

We hereby authorize and request the Commissioner of Patents to issue to Infrared Solutions, Inc. any Letters Patents which may be granted in accordance with this Assignment.
