ASSIGNMENT

WHEREAS we, Gary Alstot, Warren Finley, Anthony T. Jones, Edward Pscheidt, and Geoffrey E. Dolbear, hereinafter referred to as the "Assignors", have invented a new and useful invention entitled "Hydrocratic Generator" for which we have executed application papers for United States Patent Application No. 10/777,458 filed February 12, 2004, and

WHEREAS we verily believe ourselves to be the original, first and joint inventors of the invention set forth in said application for Letters Patent and represent that we have not conveyed or hypothecated any right or interest therein, and

WHEREAS Wader LLC, a Limited Liability Company of the State of California, hereinafter referred to the "Assignee", having a principal place of business at 1076 Skyline Drive, Laguna Beach, California 92651, is desirous of acquiring the entire and exclusive right, title and interest in and to said invention, any and ail patent applications which may be filed thereon, and all Letters Patent which may be granted or issued therefor in the United States and throughout the world, including any and all divisions, continuations, reissues and extensions of any of the foregoing;

NOW, THEREFORE, for good and valuable consideration and for the further consideration of the sum of One Dollar (\$1.00) plus, receipt of which is hereby acknowledged, Assignors do hereby sell, assign, transfer and set over unto the said Assignee, its successors and assigns, the entire and exclusive right, title and interest in and to said invention, patent applications and Letters Patent which may be granted or issued for said invention in the United States and throughout the world, including all divisions, continuations, reissues and extensions thereof, and all international priority rights associated therewith, all to be held and enjoyed as fully and completely as the same might have been held by Assignors had this assignment not been made, and Assignors hereby authorize and request the Director of Patents and Trademarks of the United States and the duly constituted authorities of foreign countries to issue all Letters Patent relating to the foregoing assigned rights to said Assignee, its successors and assigns.

Assignors agree that they will at all times keep the said Assignee advised of their whereabouts, and will promptly, upon request, and without further compensation, but at no out-of-pocket cost or expense to themselves, do all lawful acts including the execution of all necessary documents, and the giving of testimony that in the opinion of said Assignee, its successors and assigns may be necessary or desirable for obtaining, sustaining and reissuing United States and foreign Letters Patent relating to the foregoing assigned rights, and perfecting, affirming recording and maintaining the title of said Assignee, its successors and assigns thereto, and that Assignors will generally cooperate to the fullest extent in all matters pertaining to said inventions and patents, and said Assignee's title thereto.
