PATENT ASSIGNMENT

For the sum of One Dollar and other valuable consideration to me in hand paid, receipt of which is hereby acknowledged, be it known that I, the undersigned, JOHN WENTWORTH BUCKNELL, of 21 Jenkinson Street, Indooroopilly, Queensland, 4068, Australia, have sold, assigned and transferred and by these presents do sell, assign, transfer and set over unto CURTISS-WRIGHT FLOW CONTROL CORPORATION, a Delaware corporation, with a place of business at 2941 Fairview Park Drive, Suite 850, Falls Church, VA 22042, United States of America, its successors, legal representatives, or assigns, the whole right, title and interest in and to a certain invention relating to TENSIONING HYDRAULIC NUTS, on which US Patent Application Serial No. 10/699948 was filed on November 3, 2003, in the United States Patent and Trademarks Office, in my name.

The undersigned agrees to execute all papers necessary in connection with the application and any continuing or divisional applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agrees to execute all papers necessary in connection with any interference which may be declared concerning this application or continuation or division thereof and to co-operate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

The undersigned agrees to perform all affirmative acts

which may be necessary to obtain a grant of a valid United States Patent to the Assignee.

The undersigned hereby authorises and requests the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said application or any division or divisions or continuing applications thereof to the said Assignee, as Assignee of the entire interest, and hereby covenants that he has full right to convey the entire interest herein assigned, and that he has not executed and will not execute, any agreement in conflict herewith.

DATED:

8 September 2005
