Assignment

WHEREAS We GERARD J. VAEREWYCK, EDWARD A. VITUNAC, and ANTHONY F. FIASCO residing in 41 Millerstown-Harmarville Rd. Tarentum, PA 15088; 1618 Powers Run Road, Pittsburgh, PA 15238; and 2200 Monongahela Blvd. McKeesport, PA 15132, respectively have invented certain new and useful improvements in APPARATUS AND METHOD FOR TREATING AND IMPREGNATING POROUS STRUCTURES for which we have FILED an application for United States Letters Patent

AND WHEREAS USQUARED, INC. hereinafter called the "assignee," is desirous of acquiring the entire right, title and interest in and to said application and the inventions and improvements therein disclosed: NOW, THEREFORE, in consideration of One (\$1.00) Dollar and other good and valuable consideration paid to us by said assignee, receipt whereof we hereby acknowledge, we do hereby assign, sell, transfer, and set over unto said assignee the entire right, title, and interest in and to said application and the inventions and improvements therein disclosed for the United States of America and all foreign countries, including all of our rights under the International Convention for the Protection of Industrial Property, and any Letters Patent which may issue therefor in the United States of America and all foreign countries, and all divisions, reissues, continuations, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by us had this assignment not been made.

The Commissioner of Patents is requested to issue such Letters Patent in accordance herewith. We covenant that we are the lawful owners of the said applications, inventions, and improvements, that the same are unencumbered, that no license has been granted to make, use, or vend the said inventions or improvements or any of them, and that we have the full right to make this assignments.

And for the consideration aforesaid, we agree jointly and individually that we will communicate to said assignee or the representatives thereof any facts known to us respecting said inventions and improvements, and will, upon request, but without expense to us, testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, continuation, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said assignee or by counsel for said assignee, to assist or enable said assignee to obtain and enforce full benefits from the rights and interests herein assigned; this assignment shall be binding upon our heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of said assignee.

We further expressly appoint said assignee as our attorney in fact with power of appointment, and authorize said assignee or his appointee, at its or his discretion, to apply for Letters Patent in any and all countries, including any and all countries which are or may become parties to the International Convention for the Protection of Industrial Property in accordance with all provisions of said Convention, without, however, any expense to us.
