RE: Assignment Documents
Our File 645-008

Dear Sir:

I am enclosing two sets of Assignment documents with respect to the patents identified in the Recordation Form cover sheet.

The Assignments must be recorded in a particular order in order that there be continuity. I have marked the first Assignment documents to be recorded as Group 1, which is the Assignment from Crane Plastics Co., LLC to Crane Plastics Manufacturing, Ltd. Once that Assignment document has been recorded for the patents indicated, the second Assignment document marked "Second" should be recorded which conveys from Crane Plastics Manufacturing, Ltd. to Stanley Trading, LLC. The conveyed patents are the same in each group.

If there are any questions regarding this, do not hesitate to communicate with me.

Respectfully submitted,

CLIFFORD G. FRAYNE
