## ASSIGNMENT

WHEREAS, DIAMOND INNOVATIONS, INC., having an address of 6325 Huntley Road, P.O. Box 568, Worthington, Ohio 43085 (hereinafter, the "Assignor"), is the Assignee of the patents and patent applications listed on Attachment A (hereinafter collectively, the "Inventions").

WHEREAS, BELLATAIRE INTERNATIONAL LLC, having an address of 6325 Huntley Road, Worthington, Ohio 43229 (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest in and to said Inventions and in and to any and all Letters Patent of the United States and foreign countries that may be obtained therefor for said Inventions;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors, and assigns, the entire right, title and interest in and to said Inventions as set forth in the above-mentioned patents and applications, including any patents and applications which claim priority to the above referenced patents and applications, any applications to which the above referenced applications claim priority, and any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said Inventions;

UPON SAID CONSIDERATION, Assignor shall not execute any writing or do any act whatsoever conflicting with the terms and conditions of this Agreement, and that Assignor will, at any time upon request, without further or additional consideration, but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for or obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said Inventions, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any and all proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind and inure to the benefit of the assigns and legal representatives of Assignor and Assignee;

**The undersigned hereby grant(s) the firm of PEPPER HAMILTON LLP the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.**

AND we request that any patents that may be issued for said Inventions be issued to said Assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patents and the inventions covered thereby.
