ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I, Ethan Malasky do hereby sell, assign and transfer unto Adobe Systems, Inc., a Delaware corporation having its principal place of business at 345 Park Avenue, San Jose, CA 95110-2704 (the "Assignee"), and its successors and assigns, the entire title, interest and right, including the right of priority, in, to and under an application for Letters Patent of the United States, attorney docket number 1468, entitled, "System and Method for Allowing Applications to Securely Access Files" filed by me with the United States Patent and Trademark Office on 9/2/2005, U.S. Serial Number 11/219,235 and the inventions and any of them therein set forth and described, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor or corresponding thereto;

and for the above consideration, upon request of the Assignee, its successors or assigns, I will promptly communicate any facts known to me respecting said application and the invention set forth therein, and will promptly execute and deliver without further compensation any power of attorney, assignment, application, whether original, continuation, divisional or reissue, or other papers which may be necessary or desirable fully to secure to the Assignee, its heirs, successors or assigns, the inventions and any of them described in said application and all patent rights therein, in the United States and in any country foreign thereto, and will promptly cooperate and assist in the prosecution of interference proceedings involving said inventions and in the adjudication and re-examination of said Letters Patent, provided the expenses which may be incurred by me in lending such cooperation and assistance be paid by the Assignee, its successors or assigns.

IN WITNESS WHEREOF, I hereunto set my hand and seal on the date set forth below.

Dated: 12/22/2005

Ethan Malasky
