ASSIGNMENT OF PATENT RIGHTS

This ASSIGNMENT OF PATENT RIGHTS is made by EVAN B. TROMMER ("Assignor"), an individual, having a residence at 87 North Wind River Drive, Layton, Utah 84040, in favor of LESLEE SCOTT INC. ("Assignee"), a Nevada corporation, having a place of business at 1631 West 2550 South, Ogden, Utah 84401.

In consideration for Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee:

The entire right, title, and interest in and to United States Patent No. 6,739,074 entitled TAMPER RESISTANT INSTITUTIONAL SHOE AND METHOD and to its underlying invention including any patent application, divisional, continuation, continuation-in-part thereof or any reissue, substitution, renewal, or extension thereof, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries.

The entire right to file foreign patent applications in its own name wherever such right may be legally exercised, including the right to claim the benefits under the International Convention for the Protection of Industrial Property for such applications.

The entire right, title and interest in and to all income, royalties, damages, and payments hereafter due or payable with respect thereto relating to activities after the date hereof, and the right to sue, counterclaim, and recover for future infringement of the rights assigned herein.

Assignor hereby authorizes and requests the Director of the United States Patent and Trademark Office, and the patent office or agency of all foreign countries and multinational organizations, to issue any and all patents on said invention to Assignee as the owner of the entire interest, for the sole use and benefit of Assignee, its successors, assigns and legal representatives, for the full term or terms for which the same may be granted.

Assignor hereby warrants, covenants and represents that it is the owner of the patent and rights hereby assigned, that it has the full right to convey the entire interest hereby assigned; and that it has not and will not assign or otherwise transfer any of the rights hereby assigned to any third party.

Assignor hereby agrees and represents, without further consideration and without expense to Assignor, that its representatives and the inventors are obligated to sign all lawful papers and perform all other lawful acts that Assignee may request to make this Assignment fully effective, including, by way of example but not of limitation:

Prompt execution of all original, divisional, continuation, continuation-in-part, reissue, substitute, and other United States and foreign patent applications on

said invention, and all lawful documents requested by Assignee to further the prosecution of any of such patent applications.

Cooperation in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.
