ASSIGNMENT

WHEREAS, I, Laurence Patrick Mackey, residing at 24 King's Channel, Dunmore Road, Waterford City, Ireland, have invented a certain new, original, and ornamental design disclosed in an application for United States Letters Patent titled "Band for a Stem of a Stemmed Glass", Application No. 29/241,663, filed in the United States Patent & Trademark Office on October 28, 2005.

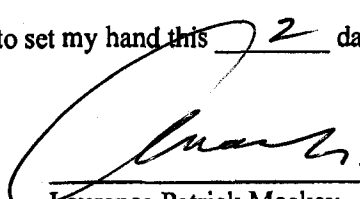

AND WHEREAS, Waterford Wedgwood plc, an Ireland corporation (hereafter, together with any successors, legal representatives of assign thereof, called "Assignee"), wants to acquire the entire right, title and interest in and to said improvements and application.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to Assignee the entire right, title and interest in and to said design, and said application and all divisions, substitutions, continuations and continuations-in-part thereof, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said design in any foreign countries, and all patents (including all extensions, renewals and reissues thereof) granted for said design in any foreign countries; and I hereby authorize and request the United States Commissioner of Patents, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said design to Assignee in accordance with the terms of this assignment;

AND I HEREBY covenant that I have full right to convey my entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith;

AND I HEREBY further covenant and agree that I will communicate to Assignee any facts known to me respecting said design, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for said design in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand this 2 day of 2 2006

Laurence Patrick Mackey
