for the benefit of itself, its successors and assigns, all inclusively hereinafter referred
to as the Assignee, is desirous of acquiring the entire right, title and interest in and
to the said invention, the said application, all inventions disclosed in said application,
and any and all Letters Patent of the United States and of all other countries which
may be granted for the said invention or inventions, or any of them;

Now, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other
good and valuable considerations to us paid by the said Assignee, the receipt
whereof is hereby acknowledged, we do hereby sell, assign and transfer to the
said Assignee the entire right, title and interest in and to the said invention, inven-
tions, and application, including all priority rights arising therefrom, all inventions
disclosed in said application, and any and all Letters Patent of the United States,
and of all other countries, together with the right to apply for such Letters Patent,
which may be granted for the said invention, inventions or any of them.

its successors and assigns, to its and their own use and behoof to the full end of the
term or terms for which the said Letters Patent may be granted, as fully and entirely
as the same would have been held and enjoyed by ourselves had this assign-
ment and sale not been made.

AND we HEREBY authorize and request the Commissioner of Patents of
the United States and the appropriate officers of all foreign patent offices to issue any
and all Letters Patent which may be granted on the said application or applications
above referred to, or for the said inventions, or any of them, to the said Assignee in
accordance with the terms of this instrument.

AND we hereby agree to execute and sign without further consideration any other legal document and any other assignments and any divisional, continuing, renewal, reissue or other application in and for all patents that may be appropriate and may be deemed necessary by the Assignee fully to secure to the said Assignee its interests as aforesaid in and to the said invention or any part thereof and in and to the said patents or any of them.

AND we further covenant and agree that we will at any time upon request communicate to the said Assignee, its successors, assigns or other legal representatives, any facts known to us relating to the said invention and any patent that may be granted thereon, and will testify as to the same in any interference or litigation when requested to do so.

AND we do hereby covenant for us and our legal representatives that we have not hitherto assigned or granted any license to make, use or sell said invention, and that we will not henceforth purport to assign, license or execute any instrument to that effect in conflict with this assignment.

IN WITNESS WHEREOF we have hereunto set our hands and seal this 16th day of December, 2005 .
