ASSIGNMENT

WHEREAS, Gary E. Choate, as sole owner all right, title, and interest in certain new and useful improvements disclosed in an United States Letters Patent No. 6,832,417, titled SAFETY SNAP HOOK, issued on December 21, 2004, from application serial number 09/ 264791, filed October 4, 2002, and whereas I represent that I have authority to convey all right, title, and interest in said patent, improvements and application.

AND WHEREAS Reliance Industries, LLC, a Colorado limited liability company having a business address of 4894 Van Gordon Street, Suite 311, Wheatridge, Colorado 80033, (hereafter, together with any successors, legal representatives of assigns thereof, called "Assignee") wants to acquire the entire right, title and interest in and to said patent, improvements and application.

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell, assign, and hereby do assign, transfer and set over to Assignee the entire and exclusive right, title and interest in and to said improvements, and said application and all divisions, substitutions, continuations and continuations-in-part thereof, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents (including related rights such as utility model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements in any foreign countries, and all patents (including all extensions, renewals and reissues thereof) granted for said improvements in any foreign counties; and hereby authorize and request the United

States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty is to issue patents on applications as aforesaid, to issue all patents for said improvements to Assignee in accordance with the terms of this agreement;

AND I HEREBY covenant and agree that I will communicate to Assignee any facts known to me respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee in obtaining and enforcing proper patent protection for said improvements in all foreign countries.

IN TESTIMONY WHEREOF, I hereunto set my hand this 7th day of April, 2006.
