Agreement

It has been agreed between Dr Colin Young of Wattle Glen Projects Pty Ltd, 27 Reynold Road, Wattle Glen, Victoria, and Pebble Heights Pty Ltd of 926 Mountain Highway Bayswater, Victoria that the patent rights of the Snail & Slug pellets held by Dr Colin Young, his company, or nominated person(s) and any issuing proceeds from them shall be shared in equal parts between Dr Colin Young, his company, or nominated person(s) as the one part and Pebble Heights Pty Ltd, or any of their nominated companies or person(s), as the other part.

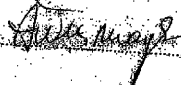

While Dr Colin Young has provided the expertise and time in developing the pellets to a marketable product, Multicrop (Australia) Pty Ltd, a subsidiary of Pebble Heights Pty Ltd has funded extensive research and costs associated in obtaining the patents and registering the product internationally. Additionally, Pebble Heights Pty Ltd, through Multicrop (Australia) Pty Ltd is also funding the marketing of the pellets.

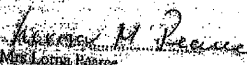

Although the above understanding has been operative for some years between the parties, it has been realised that a more formal agreement would be helpful in order to have a clear understanding for the executors in case of death or incapacitation or other circumstances hindering or both of the parties in respect of the interim verbal agreement to whom it may concern.
