ASSIGNMENT

WHEREAS, the undersigned,

Robert Y. Haitani
1455 Fields Drive
San Jose, CA 95129

Carol L. Greenberg
P.O. Box 2364
Guerneville, CA 95446

(hereinafter termed "Inventors"), respectively, have invented a design for a:

COMPUTER ICON FOR A DISPLAY SCREEN

and have filed an application for a United States patent disclosing and identifying the above design on February 22, 1999 as Application No. 29/100,981 (hereinafter termed "application"); and

WHEREAS 3Com Corporation (hereinafter termed "Assignee"), a corporation of Delaware, having a place of business at 5400 Bayfront Plaza, Santa Clara, CA 95052-8145, wishes to acquire the entire right, title and interest in and to said application and the design disclosed therein, and in and to all embodiments of the design, heretofore conceived, made or discovered jointly or severally by said Inventors (all collectively hereinafter termed "said invention"), and in and to any and all patents, design registrations, utility models, inventor's certificates, and other forms of protection thereon (hereinafter termed "patents") thereon granted in the United States and/or other countries.

NOW THEREFORE, for good and valuable consideration acknowledged by each of said Inventors to have been received in full from said Assignee:

1. Said Inventors do hereby sell, assign, transfer and convey to said Assignee, the entire right, title and interest (a) in and to said application and said design; (b) in and to all rights to apply in any or all countries of the world for patents on said design, utility model, inventor's certificates, or other governmental grants on said design, including the right to apply for patents on said design pursuant to the International Convention for the Protection of Industrial Property or pursuant to any other convention, treaty, agreement or understanding; (c) in and to any and all applications filed and any and all patents granted on said design in the United States or any foreign country, including each and every application filed and each and every patent granted on any application which is a division, substitution, or continuation of any of said applications; (d) in and to each and every reissue or extension of any of said patents; and (e) in and to each and every patent claim resulting from a reexamination certificate for any and all of said patents.

2. Said Inventors hereby jointly and severally covenant and agree to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right, title and interest herein conveyed in the United States and other countries. Such cooperation by said Inventors shall include prompt production of pertinent facts and documents, giving of testimony, executing of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for complying with any duty of disclosure; (c) for prosecuting any of said applications; (d) for filing and prosecuting substitute, divisional, continuing or additional applications covering said design; (e) for filing and prosecuting applications for reissue of any of said design; (f) for interference or other priority proceedings involving said design; and (g) for legal proceedings involving said design and any applications therefor and any patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, reexamination proceedings, compulsory licensing proceedings, infringement actions and court actions; provided, however, that the expense incurred by said Inventors in providing such cooperation shall be paid for by said Assignee.

3. The terms and covenants of this Assignment shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon said Inventors, their respective heirs, legal representatives and assigns.

4. Said Inventors hereby jointly and severally warrant and represent that they have not entered and will not enter into any assignment, contract, or understanding in conflict herewith.

IN WITNESS WHEREOF, the said Inventors have executed and delivered this instrument to said Assignee on the date of acknowledgment before the Notary Public as given below.
