and interest, for all countries, in and to certain inventions relating to

**FIELD EFFECT TRANSISTOR**

and described in an application for Letters Patent of the United States executed by us, and filed on  
**November 9, 2005 as Application No. 11/269,647**, and in and to said application, and all divisions, renewals  
and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues  
and extensions thereof, and all applications for Letters Patent or other grants of protection of proprietary rights  
including, but not limited to, inventor's certificate, utility model, utility certificate, patent of importation, registration  
of patent and industrial design registration which may be filed, and which may be granted, upon said inventions in  
any countries or regions foreign to the United States, and all reissues, renewals and extensions thereof; and we  
hereby authorize and request the Commissioner for Patents and Trademarks of the United States, and all officials of  
countries or regions foreign to the United States having authority to do so, to issue all such Letters Patent or other
