ASSIGNMENT

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, we, the undersigned William Clark, 37 Sterling Street, Lancaster, MA 01523; Joseph Dellagala, 23 Browning Road, Shrewsbury, MA 01545; and Kenneth Consalvo, 41 Comstock Road, Leominster, MA 01453, hereby:

Sell, assign and transfer to Cable Design Technologies, Inc. a Washington State corporation, having a place of business at 9 Mohawk Drive, Leominster, MA 01453, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, Nunc Pro Tunc October 1, 2003, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions which are disclosed in the application for United States Letters Patent filed in the United States Patent and Trademark Office on May 28, 2003 under Application Serial No. 10/446,371 and entitled MULTI-PAIR DATA CABLE WITH CONFIGURABLE CORE FILLING AND PAIR SEPARATION, and in and to said application and all divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions including the right to apply for patent rights in each foreign country and all rights to priority; and further including any right to sue for past infringement;

Agree that said Assignee may apply for and receive Letters Patent for said inventions in its own name; and when requested, without charge to but at the expense of said Assignee, we agree to carry out in good faith the intent and purpose of this assignment, by executing all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to said Assignee all facts known to us relating to said inventions and the history thereof, and generally by doing everything reasonably possible which said Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee;

Request the Honorable Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee; and

Covenant with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.
