**ASSIGNMENT**

John S. Laudo  
to  
Battelle Memorial Institute

WHEREAS, John S. Laudo, of Hilliard, in the County of Franklin, and State of Ohio has made certain inventions in "OPTICAL SYSTEM FOR CELL IMAGING," for which we executed an application for a United States Patent and for which said application for United States Patent was filed on October 27, 2005, under Patent Application Serial Number 11/261,105 (Attorney Docket Number 13328, BATZ 200008).

WHEREAS, Battelle Memorial Institute, a corporation of Ohio, having a place of business at 505 King Avenue, Columbus, Ohio, herein called "ASSIGNEE," is desirous of acquiring our entire right, title, and interest in said invention and application therefore, and in any patent or patents to be obtained therefore;

NOW, THEREFORE, To All Whom It May Concern, be it known that, for and in consideration of the sum of One Dollar (\$1.00), and other good and valuable considerations, the receipt of which is hereby acknowledged, I have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto the said Assignee, my entire right, title, and interest in and to the invention shown, described, or claimed therein, and the full and exclusive right and title to the said application executed by me, preparatory to obtaining Letters Patent of the United States therefore; and in and to any extensions, reissues, divisions, or renewals thereof; and I do hereby authorize and request the Commissioner of Patents or other proper Officer, to issue such Letters Patent, or any of them, to the said Assignee, as the assignee of my entire right, title, and interest in and to the same for the sole use and behoof of the said Assignee, and its successors or assigns.

And I further covenant and agree that I we will, at the request and expense of the said Assignee, execute such other and further assurances of title as may be necessary or proper to fully convey the interest herein sought to be conveyed; that I will, at the request and expense of the said Assignee, execute such application papers as may be desired by the said Assignee for the filing of any division or renewal of the application herein conveyed, or for the reissues or extensions of any Letters Patent that may be granted upon said application, and will execute such Supplemental Oaths and Preliminary Statements, or other papers as desired by the said Assignee.

And I further assign unto the said Assignee my whole right, title, and interest to the invention disclosed in the application throughout all countries foreign to the United States, and do hereby authorize the said Assignee to apply for patents therefore in its own name in countries where such procedure is proper and to claim the benefit of the International Convention and do agree to execute applications for the said invention in the several countries where it is necessary that the same be executed by the inventor, and to execute assignments of such applications and the patents to be obtained therefore to the said assignee, as well as all other necessary papers.
