## ASSIGNMENT

WHEREAS, we /I:

Richard Anthony Lang of 8917 Symmes Trace Court, Loveland, OH 45140; and  
Ivan Borisovich Lobov of 601 Lowell Avenue, #17, Cincinnati, OH 45220;

respectively, have made a certain new and useful invention as set forth in an application entitled IN VIVO ANGIOGENESIS ASSAY, Attorney's Docket No. CHM-006, Serial No. 10/519,527, filed the 27 day of Dec., 2002, (hereinafter referred to as "said patent application"), and as set forth in United States Provisional Patent Application Serial No. 60/391,641 filed on June 26, 2002:

We made said invention set forth in said patent application while employed by Children's Hospital Medical Center of Cincinnati, Ohio, and acknowledge our obligation at the time the invention was made to assign said invention to Children's Hospital Medical Center. Pursuant to said obligation, we assign to Children's Hospital Medical Center, its legal representatives, successors and assigns, the entire right, title and interest, including the right to claim priority of the filing date of said patent application under international conventions, in said invention as set forth in said patent application, including any divisional, continuation, continuation-in-part, continued prosecution, or provisional applications thereof, and in all patents, including any reissued, reexamined, or extended patent thereof, of the United States and of any foreign country which may be issued for said invention as fully and completely as the same would have been held by us had this assignment not been made. The entire right, title and interest shall vest irrevocably in Children's Hospital Medical Center. We further agree upon request, without additional compensation but at no expense to us, to execute or assent to foreign applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to Children's Hospital Medical Center, its legal representatives, successors and assigns, or as said Children's Hospital Medical Center may direct.

AND we request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Children's Hospital Medical Center, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said patent and the invention covered thereby.
