ASSIGNMENT

WHEREAS, I/we, John F. HEANUE, Joseph A. HEANUE, Brian P. WILFLEY, Augustus P. LOWELL, (hereinafter referred to as "ASSIGNOR(s)") have made an invention entitled

PHOTON MEASUREMENT METHOD AND APPARATUS

for which I/We executed an application for United States Letters Patent concurrently herewith or filed an application for United States Letters Patent on _____ (Application No. _____); and

WHEREAS, **OCELA TECHNOLOGIES**, (hereinafter "ASSIGNEE"), a California Corporation having a business address at 1850 Embarcadero, Palo Alto, California 94303, is desirous of securing the entire right, title and interest in, to and under the said invention and the said application in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW, THEREFORE, be it know that, for good and valuable consideration, the receipt of which is hereby acknowledged, I/We, the said ASSIGNOR(s), have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over unto the said ASSIGNEE, its lawful successors, legal representatives and assigns, my entire right, title and interest in, to and under the said invention, and the said United States application and all divisions, renewals and continuations thereof, and all Letter Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND I/WE HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I/WE HEREBY covenant and agree that I/We have full right to convey the entire interest herein assigned, and that I/We have not executed, and will not execute, any agreement in conflict with this Assignment;

AND I/WE HEREBY further covenant and agree that I/We will, without further consideration, communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to me/us respecting said invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to

perfect the title to this invention in said ASSIGNEE, its successors or assigns execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the ASSIGNEE, its successors and assigns.

IN TESTIMONY WHEREOF, I/WE hereunto set my hand and seal the day and year opposite my signature.
