NUS-8

- 3.1 inform the Assignee of all technical information concerning the Invention and IPR; and
- 3.2 supply the Assignee with any documents or drawings relevant to the Invention which are in the possession, custody and control of the Assignor.
4. The Assignor hereby agrees to assign to the Assignee any improvement which he may create or develop at any time after the date of this Assignment whilst under the employment of the assignee. For the purposes of this Assignment, "Improvement" shall mean any discovery or invention whether patentable or not, which may be used with the Invention and IPR and which would make it cheaper, more effective, more useful, more valuable or which would in any way render the Invention more preferable in commerce.
5. The Assignor warrants that:
  - 5.1 the Assignor has not knowingly done or omitted to do and is not aware of any act that will prevent a patent from being granted;
  - 5.2 the Assignor has neither by deliberate act nor omission caused or permitted anything which may cause a patent to lapse prematurely or to be the subject of a compulsory licence;
  - 5.3 the Assignor will not disclose or assist others to disclose any information concerning improvements to the Invention not covered by the Application except with the consent in writing of the Assignee; and
  - 5.4 the Assignor will keep the Assignee fully indemnified against all actions, claims, proceedings, costs and damages (including any damages or compensation paid by the Assignee on the advice of its legal advisors to compromise or settle any claim) and all legal costs or other expenses arising out of any breach of the above warranties or out of any claim by a third party based on any facts which if substantiated would constitute such a breach.
6. This Assignment may not be modified except by an instrument in writing signed by both parties or their duly authorised representatives.
7. The failure by either party to enforce at any time or for any period, any one or more of the terms or conditions of this Assignment, shall not be a waiver of them or of the right at any time subsequently to enforce all terms and conditions of this Assignment.
8. This Assignment contains the whole agreement between the parties in respect of the above Invention and IPR and supersedes any prior written or oral agreement between them relating to it and the parties confirm that they have

not entered into this Assignment on the basis of any representations that are not expressly incorporated in it.

- 9. This Agreement shall be governed by the laws of the Republic of Singapore in every particular including the formation and interpretation thereof. The parties agree to submit to the jurisdiction of the Supreme Court of the Republic of Singapore.
- 10. This Assignment shall be subjected to the Employment Contract of NUS. *<and in accordance to Rules Relating to Inventions, and Other Works (RI-20000901)>*

IN WITNESS WHEREOF the parties hereto have executed this Assignment the day and year first above written.
